

# SESHA YALAMANCHILI

Focused on driving results, Sesha leverages her extensive background in sales, marketing, operations, and innovation to influence organizations of every size and scope. From entrepreneurial startups to large corporations, Sesha's vast real-world experience spans careers in consumer goods, technology, banking, healthcare, and insurance.

Sesha has an inherent ability to comprehend the many issues and challenges that face organizations in today's world of constant change, disruption, and uncertainty. Passionate about empowering others with the knowledge, tools, and resources they need to make an immediate impact, Sesha works with business professionals to sustain long-term results at their organizations.

"It is a different world of constant change, disruption, and uncertainty in which tomorrow's leaders will need greater emotional awareness and agility to motivate, inspire, and empower," she explains. "In preparing professionals to lead with creativity and innovation, I get excited to develop programs built from the latest discoveries around when humans are at their best."

A seasoned leadership consultant and trainer with nearly two decades of business experience, Sesha specializes in equipping leaders with the knowledge, tools, and resources to make an immediate impact in their organization. "Understanding real world challenges from the human perspective is key to helping professionals accelerate their growth as leaders," she says.

Sesha holds a Bachelor of Science degree in mechanical engineering from University at Buffalo and is a certified Everything DiSC<sup>®</sup> facilitator, designating her certification to administer personality profile assessments and coaching services. She is an ICF accredited coach and trained at the world renowned CaPP Institute. She specializes in strengths-based and positive psychology practices.

Sesha is a leadership consultant and trainer with more than 15 years of experience as a business leader.

## Her mission?

To implement programs inspire leaders, teams and individuals to create environments where everyone has the opportunity to flourish.
