

Board of Director Bio:

Kent Frey

Frey Electric Construction Co., Inc.
CEO

Mr. Frey has been the CEO of Frey Electric Construction Co., Inc. since 1993. He began his career with Frey Electric in 1978 working in the warehouse before entering into the International Brotherhood of Electrical Workers Apprenticeship Program. After graduation from the four-year program in 1987, he returned to Frey Electric as the Director of Operations. He became the CEO after purchasing the company from his father, making him the third generation in the family to run the company, which he does to this day.
