

ESSENTIAL WORKERS

Are you in need of emergency child care?

Child Care Resource Network is matching essential workers with child care providers in their area who are still operating and have vacancies.

To begin the matching process please visit:

wnychildren.org/covid-19-updates

and fill out the parent survey located at the top of the page. Once we receive your completed survey one of our Child Care Navigators will reach out to you and provide you with a list of child care programs who remain open and have vacancies.

If you are unable to fill out the survey online you may call Child Care Resource Network at 877-6666 ext. 3064 for assistance.
