

Protecting Your Business On-demand Webinar

Information and legal guidance on how employers should address COVID-19 is evolving quickly. Watch our second complimentary webinar for an overview and Q&A that addresses pending legislation and legal considerations. Our labor and employment attorneys, with vast experience counseling the private and public sectors, address:

- Paid sick leave for employees
- Wage and hour considerations
- Illness preparedness and infectious disease exposure control plans
- Reasonable accommodations for vulnerable employees
- Discrimination concerns
- FMLA/PFL issues
- Collective bargaining issues
- OSHA requirements and conditions
- WARN Act considerations
- Immigration issues
